

WAVES OF POWER

WAVES OF POWER, TAMIL GOSPEL INTERNET RADIO ORGANIZATION is a non-profit team based in Toronto, Canada. It began as a 30 minute program broadcast on a local Tamil radio station in July, 2004. Our vision, following the Great Commission of our Lord Jesus Christ, is to proclaim the kingdom of God to more than 350,000 Tamil speaking people in Toronto and millions around the world and prepare them for the Second Coming of our Lord.

In December, 2004 the website, www.wavesofpower.com, was launched which expanded our listener's base beyond Toronto to other parts of Canada, Europe, the Middle east, Sri Lanka, India, USA and Southeast Asian countries. Links to this website can be found in many other major Tamil Christian websites.

In January, 2006 an online WAVES OF POWER TAMIL GOSPEL INTERNET RADIO, first in Toronto, began 24/7 partially automated broadcast of the Gospel in songs, music, drama and skits that are enjoyed by both the young and the old alike. On November 4, 2006 a real time live broadcast was started on Saturday at 9 am (Eastern Time) with a live talk-show at 10 am in which listeners interact with the moderator by calling phone lines. Since then, we have expanded our live broadcasting time and days. Our mission has been continued with the conviction that many people are thus being reached for Christ. Please visit our current listening and schedules.

Now, wavesofpower.com carries a second broadcasting channel giving other volunteers and churches an opportunity to share the "Word" with the world.

In order to continue spreading the word of Christ to all the people, through Waves of Power, we need proper equipments. This ministry is supported by listeners and volunteers. Everything that we use in the radio station is donated by others. We plan on buying new technologically improved studio equipments. We need the following equipments listed below. We have come to ask for your financial help, in order to continue this work in Christ.

[\\$10,000 challenge!](http://wavesofpower.com)

Dear brothers and sisters in Christ,
Greetings to you all in His name.

We the WOP team have come to a point where we have a need to raise funds (\$10,000) to modify and upgrade our Internet radio broadcast station at www.wavesofpoer.com

A brother in Christ is not only willing to support us financially us but also showed us how we can reach our goal of raising the 10,000 dollars needed. He is prepared to match dollar for dollar donated by our listeners and supporters. For an example, if we receive a donation of \$20, he will donate \$20. Thus, if we collect a sum of \$1000 he will match it with a \$1000.

Please pray about this and help us with what you can. We would also like to point out that you are welcome to purchase any of the equipments or meet any of our needs on a regular monthly basis. Please ask for details.

May God bless you.
Regards

Vincent Manuel (President) & WOP Team
